Society of St. Vincent de Paul Chicago

Building a Better Tomorrow for Those in Need

Thank you for choosing to host a Donation Drive with St. Vincent de Paul, Chicago!

When you donate with SVdP Chicago, you change lives! Used clothing, household goods, furniture no longer needed, old craft supplies, new items that were never worn, gifts we could not use but forgot to return. They make a difference every day!

Our thrift stores serve as the destination for receiving, processing, and selling those donations. Our prices are low so that those looking to find quality goods on a tight budget can be provided for. Those that are struggling and have come to us for help, when qualified, receive a voucher to shop our stores at no cost, with dignity and respect. We do not group items as other thrift stores do. All items are available to all that need, every day! We also provide jobs and skill training, giving those who need the opportunity the most possibilities of a better tomorrow.

SVdP Chicago works with local organizations to help provide needed items such as, blankets and clothing to BEDS and other homeless shelters, baby items for mothers in need, and school supplies for low income families. Blankets and towels not suitable for use can find a home at a local animal shelter.

At the end of the day, after the light bill is paid and our basic costs for operating our stores are covered, proceeds from your donations are used to support our volunteer led programs that help those in need in Lake and Cook Counties. With over 33 food pantries, community dinners and food trucks, we fulfill the need for those who are food insecure. Whether it is assisting a family with utility bills, medical bills, rent, groceries, or helping a homeless family have a place to sleep, the Society is there!
