Blessed Frederic's Fund

The Council-to-Conference Committee of the ADC administrates the Blessed Frederic's Fund to assist conferences whose bank balances have fallen to low levels that keep them from assisting their Friends in Need. The Fund was created to give these conferences a shot in the arm when their ability to do their work is diminished by lack of funds.

Upon receiving a request, the committee meets to discuss the need. The process involves asking the conference for information regarding their financial situation which includes current balance and general income and expenses for the previous year. The committee has established a cap of \$1,000 per request in order to serve many conferences over the course of the fiscal year.

If your conference has any questions or would like to make a request for assistance, please contact Tom Moritz, Committee Chairman, at moritz04@sbcglobal.net.

The Committee is grateful for all the work you do on behalf of our Friends in Need.
